

## ATTENDANCE MATTERS

FS = 92%

Year 1 = 91%

**Year 2 = 95%**

Year 3 = 94%

Year 4 = 92%

**Year 5 = 95%**

Year 6 = 94%

**Whole school attendance is 94%**

*One of the priorities from our last Ofsted was to achieve National attendance of at least 96%. Unfortunately this priority is out of our hands, please could parents support school with this and kindly bring their children into school daily to avoid this having a negative effect on the school as a whole.*

*100% attendance vouchers will go out today with children to use over the festive period at Manjaros, Preston. Also, stickers and acknowledgements on Seesaw are given monthly.*

Here is a list of prizes and winners;

*Congratulations*

## Merry Christmas

First of all, many thanks for the support during my first term at Kingsfold. It has been a privilege to get to know the staff, the parents but most importantly the children. I understand that there have been a lot of changes over such a short period of time, however they have all been done with the children at the heart of these decisions. I hope we can continue to raise the profile of Kingsfold by playing an active part in the community and by all working together.

Enjoy the festive period and have a well earned rest.

Ms Rooney and the Kingsfold Team
