

ATTENDANCE MATTERS

FS = 92%

Year 1 = 91%

Year 2 = 96%

Year 3 = 94%

Year 4 = 92%

Year 5 = 95%

Year 6 = 95%

These attendance figures are from the beginning of this academic year.

Whole school attendance is;
94%

Thank you to Leon in Year 6 for his winning poster to encourage children to wash their hands.

This is now around school to remind children about germs and keeping hands clean.

PTFA Family Quiz Night

A lot of families have shown interest in a family quiz night. The only issue is the short notice. Due to this, we will find a potential date later in the school calendar to host this when we can give lots of notice.

NURSERY

We currently do not run a nursery, however we are looking at opening the FS up as a unit for Nursery and Reception children in the mornings. This would be for children 3 years or above and could only be facilitated if there was enough interest.

If this is something you or someone you know would benefit from please let the office know so that we can look at provisional numbers.
