## ATTENDANCE MATTERS

FS = 92%

Year 1 = 92%

Year 2 = 94%

Year 3 = 94%

Year 4 = 94%

Year 5 = 95%

Year 6 = 94%

These attendance figures are from the beginning of this academic year.

**Whole school attendance is;**

**94%**

***Please ensure if your child is ill with sickness or diarrhoea they stay at home for 48 hours to avoid the spread of germs.***

## There has been a report of threadworms (pinworms) in school.

- These are tiny worms in your child's poo. They're common in children and can spread easily.
- A pharmacist can help with threadworms. You can buy medicine for threadworms from pharmacies such as Kingsfold Pharmacy. This is usually a chewable tablet or liquid you swallow.
- It is important to treat everyone in your household, even if they don't have symptoms.

Again school will be reiterating the need for children to regularly wash their hands.

## VALENTINES DISCO

**Friday 15th of February 1:15pm.**

There will be a disco in the school hall for the children of Kingsfold.

The PTFA and staff will be organising and manning this and more information will be sent out soon.

Just like the Halloween disco there will be food and drinks available to purchase.

Please be aware that if there is an incident that happens in your child's class that your first port of call is the class teacher. The staff here at Kingsfold are very capable and supportive and will often give you a better explanation or solution than I can.

There has been a few occasions recently when parents have wanted to see me regarding issues in class that have been dealt with. I am always here if it cannot be resolved but on the whole the staff generally can answer your questions or help come to a solution far quicker than I can.

Thank you,

Ms Rooney
