Whole school attendance is; 93%

As a school, we are expected to follow the Lancashire County Council rules. National attendance is 96% and we are currently 3% below this. Please be aware that there are now penalty notices being issued for those families with persistent absence which is classed as below 90%. If you would like support for attendance please call and speak to Laura who can offer support—01772 743531.

As a school we want to support and encourage all children to be in school every day. For those children with 100% attendance for the spring term a Manjaro voucher will be given out on Friday.

Valentine Disco Friday 15th 1:15pm

Children can come in their party clothes on Friday. The disco will be in the hall and the PTFA have kindly offered to support this event.

There will be items to buy so children can bring in a small amount of money to spend.

Celebration of Friendship

The children going to the celebration of friendship at the Guild Hall will need to have returned their permission slips to attend, have the correct clothes and their slip to purchase tickets. Tickets will only be given once payment is received. The event is filmed and the LEP do take photographs so we would need consent for this therefore another letter will be coming home with a slip to return.

The children will leave school via coach to the venue at 12:35pm. This gives them enough time to have lunch before setting off. The children will be provided with a McDonalds Happy Meal however you may want to send an extra soft drink and a snack as it is a long day.

Parents are to collect their child after the performance at 9pm from the Guild Hall. The children will not be brought back to school afterwards.
