Please support us with Reading

Any parents or grandparents who would like to come into school to read with children please speak to Mr Spencer for more information. If you know this is something that you would enjoy, please get a DBS form from the office.

New Parent Governor

I hope you will join me in welcoming Mrs Whiley as our new parent governor.

LUNCHTIMES

Please only send water or sugar-free cordial in for lunchtimes. Fizzy drinks and energy drinks are discouraged as they are not part of our healthy school commitment.

School Development Priorities 2018-19

Each year as a school we evaluate where we are and decide where we would like to be. We never become complacent and are always striving to be better for the children of Kingsfold. This year we have been working on the three main priorities below. Along with these we have been completing many other areas of development ranging from parental involvement via Seesaw, ParentPay, extra curricular activities, Sports, etc.

1. From their starting point, children should make at least good progress towards age related expectations in reading, writing and mathematics.
2. Increase the percentage of children passing the phonics screening.
3. Develop an effective and consistent system to monitor and track age related expectations across the school.

If parents would like more information about how their child is progressing in school there will be a parent's evening at the beginning of the Summer Term. Letters will follow soon.
