

5th April 2019

ATTENDANCE RACE

Well done to Reception at 96%, Year 2 at 97% and Year 3 at 97%.

You have all worked together to jump the next hurdle in the attendance race. You will now receive a film afternoon after Easter.

Well done!

Thank you to Marylands for bringing some Marylands cookies for the school after the very unfortunate fire. The children enjoyed these and listened intently to the dragon tale.

MILK

From September there will only be milk ordered for Reception children.

During the Summer term, only the people who have paid in Years 1-6 will have the milk ordered for them.

This is due to the amount of milk being wasted across school.

There will be cups in each class so children can get water if they need to.

Thank you for another wonderful term here at Kingsfold. Thank you to the staff, volunteers, parents and most of all to the fabulous children.

There are now a couple of lovely parental views on the website. I look forward to adding more in the future and hopefully increasing the popularity of the school by promoting Kingsfold as the amazing place it is.

Ms Rooney

THANK
You!
