Please ensure children are in school regularly. There are new attendance documents on the school website.

EASTER BINGO

Thank you for the PTA for organising a fantastic Easter Bingo. Including the raffle we raised £300.

MEDICINES IN SCHOOL

All medicines that are administered in school need to be given directly to the office and NOT to class teachers or come in with children in book bags.

Medicines have to be stored securely in school and permission forms completed by parents.

If this is not adhered to then school will no longer be able to administer medication as this is optional. This will mean that parents will have to make alternative arrangements.
