ATTENDANCE MATTERS

Well done to the children that are above 96% attendance since September. They have been given a sticker today and the names shared on Seesaw.

There are 2 children from the start of this academic year who have 100% attendance -

Yaseen (Y4)

Jamal (Y4)

Congratulations to these two children.

If your child was not on the attendance list do not worry, some children were just below the 96%. If you would like to know your child's attendance please ask at the school office.

If your child drops below 90% they will be classed as a persistent absentee and the LCC procedures will be followed. These can be found on our school website.
