TWEAKS AND CHANGES

- **Reading books** are classed as low transmission so please can these be in school each day so that the children have the opportunity to read in and out of school? If we could ask for parents to wipe these down with a damp cloth that'd be really helpful.
- **PE kits** are to be worn on PE days. This will be communicated to parents via Seesaw. Children can wear plain jogging bottoms and their school jumper if it is cold outside as they will wear these all day.
- **Collection arrangements and data collection** sheets will be sent home this week. Please complete these and return them so that we can ensure we have the correct details on record.

THANK YOU

Thank you for the continued support since we returned last week.

The changing of the pick-up arrangements on the KS2 playground has made a huge difference. This is allowing much greater social distancing for all families and staff.

Most children have returned to school looking ready to learn in their full school uniforms and we are hoping attendance will continue to improve.

A huge thank you to parents for this we couldn't do this without your support.

NO ENTRY

Please can we ask that parents do not enter the building this includes the office area. There is a sign on the front door and we have visitor rules for anyone who has an appointment. We ask for communication with teachers to be primarily through Seesaw or by calling the school office on 01772 743531. This will help to ensure the school stays clean. We have noticed an increase of parents coming to the office.

ATTENDANCE

Reception = 100%

Year 1 & 2 = 95%

Year 3 = 95%

Year 4 = 94%

Year 5 = 90%

Year 6 = 96%

Whole School = 95%

Well done to our youngest and oldest children for jumping a hurdle on our attendance race.

BC / ASC ARE BACK

Breakfast club and after-school club are now back. The children are kept in their bubbles during this time. If you would like a place please complete the online form -

<https://www.kingsfoldprimary.com/parents/out-of-school-provision>

This helps the staff plan for the bubbles. Unfortunately we are having to close ASC at 5pm at this time to allow for cleaning of the hall and equipment. Sorry for any inconvenience.
