

1.3.2021

## Breakfast Club and After-School Club

Clubs will open again from the 8th March with the previous risk assessment in place. For places please complete the [online form](#). Timings will be slightly different due to the wipe down at the end of the day.

B/C start time: 7:45am

ASC: 3:00-5:15pm

## Welcome to our new bursar

Mrs Scott has started working this week in the school office with Miss Houghton to ensure there is a smooth handover. I hope you will all make her feel welcome within the Kingsfold School Community.

## DOLCE

Meals will reconvene on the 8th March for FSM children and for those who wish to order these. Menus will be shared on Seesaw when these are received.

## Loaned Devices

When children return on the 8th March, please return all loaned devices in the first week so these can be used in school or loaned to those who may need to isolate in the future due to Covid19. Please note, these need to be returned in the condition loaned to families.

## Week 7 winner

Well done to Talay in Year 5 for winning the £10 voucher for all his engagement with his remote learning. Keep it up!

67% of the school engaged in some form of learning last Tuesday. This has dropped from our previous 71%. Please ensure you are attending the lessons and completing the work. School will be back on the 8th March and lessons will continue from the remote learning which has been provided daily since the lockdown.
