Info@justsclothing.co.uk

Please ensure children arrive back to start Summer Term in full uniform.

HEALTHY EATING and EXERCISE

After the Easter break, we will be having a push on healthy eating and exercise. This is all linked with our drive for a physically and mentally healthy school. Please ensure chocolate bars, fizzy drinks, crisps or sugary sweets such as Haribo are not included daily in lunchboxes. To assist in this, we will have a treat day each Friday for children to bring one treat.

To support our drive for exercise, Mr. Reid has commissioned a mile a day track to be painted on the playground. I have attached the plan for the track which will be located on the main playground.

REPORT CARDS

Half-termly report cards and age related expectation sheets will be sent home on Friday. Please be aware that most of the school have fallen behind due to the lockdowns. Remote learning could never replace face-to-face teaching. Do not be alarmed if your child has fallen behind. We will be using our catch up funding to attempt to plug any gaps in learning. We would ask for parents and carers to support your child's learning by daily reading, learning spellings and times tables weekly and completing any homework that is sent home.

The phonelines are now back up and running. We apologies for the delay in this issue being rectified.

Mrs Scott is new in the office and is looking forward to supporting our school moving forward.

EARLY FINISH

On Friday school will close at 2pm.
After-school club will finish at 4pm.
