COVID UPDATE

Could we ask all of our current parents to complete the form online with regards to the surge testing?

This will only be the case if a bubble is to close and children asked to isolate. This will allow school time to arrange testing kits and information to share.

Many thanks for all of your support.

PGL 11th-14th June

It is that time again, the year 6 class will travel to PGL this weekend. I would like to take this opportunity to thank those staff who give up their weekend to provide support for this trip. Without dedication from these staff, this would not happen. I know the children will have a fantastic time.

Class structure and catch-up

We are really proud of what the children have achieved during yet another disruptive year due to the pandemic. We know there will be lots of bridging that is still required to be completed from September onwards for children to catch up across school. With this in mind, along with a few changes in staffing from September the following structure has been agreed to best support the pupils:

Reception—Miss Ward & Ms Croskell

Year 1&2—Mr Spencer & Mrs Temple-Milnes

Year 3&4—Mrs McCreary & Mrs Sandham

Year 4&5—Mrs Bretherton & Miss Tait

Year 6—Mr Reid and Mrs Walton

Mrs Hodge will complete catch-up sessions across school to bridge some of the gaps within the children's learning.
