Christmas Lunch and Pantomime

Thursday 16th December

Party and Christmas clothes can be worn.

Sexist language and Sexual language

We are becoming aware of different forms of sexist and sexual language being used by some of our Key Stage 2 children which is being challenged by staff. Equality is something we would like to promote further with the support of our community. When we talk to the children about this, they often reply with, "It was a joke". To tackle this further we are hoping for parental support at home to challenge some of the above.

Shockingly, a government report recently reported, 'That sexual harassment and online sexual abuse has become 'normalised' for children and young people'. This is something that we all must tackle. We will be using our PSE lessons and class assemblies to address this along with racism and homophobic language.
