Can all earrings that have now healed be removed daily?

Many thanks.

7th-13th February.

We are currently looking for ideas to develop Children's Mental Health Week as a school.

Would parents like to be involved? Maybe a couple of coffee mornings in school for parents to come to as a way of engaging with other parents and carers?

We will do a dress to express day on Friday 11th February alongside activities for pupils around mental health and yoga that week.

We take part in Operation Encompass

What is Operation Encompass?

Operation Encompass is a new initiative between Lancashire Police and schools designed to support children who may have been exposed to domestic abuse in the home.

Why is this important?

It is widely recognised that children who are exposed to domestic abuse in the home can be affected - it is termed an '**adverse childhood experience**'. This scheme originated in Plymouth and was designed to support children who are living in an environment where there has been domestic abuse.

How does Operation Encompass work?

Each school has a secure email address accessed only by the Key Adult - **in our school, this is Mrs Tierney and Jade Binns, the Headteacher and Designated Safeguarding Lead**. If the police attend an incident of domestic abuse where there are children resident in the property, they will send a notification directly to the school's secure email. This is so that schools can quickly respond and offer any support required to the child/ren affected. Information shared is confidential and is only shared on a needs basis, which is in line with our current Safeguarding procedures.

Where can I find out more information?
