#### **Behaviour Assembly**

On Monday, a selection of our year 6 children led a whole school assembly on behaviour. To follow on from this, they will be completing pupil questionnaires next week to ensure all pupils across school understand our golden rules and what these look like.

1. Be Ready

2. Be Respectful

3. Be Safe

### 7th-13th February

Children's Mental Health Week

A trip to Worden Park is booked for
Tuesday 8th February, as part of
Children's Mental Health Week. The
whole school will be taking part, and we
ask for a £1.00 payment for each child to
help towards the cost of the transport.
This is now live on ParentPay and
includes a consent and medical needs
section.

### BECAUSE IT ALLOWS ME TO:

## SAFER AND KINDER

Social media can be a great way to connect with your friends, but it can also be a cruel and dangerous world. Here's how you can make it a better place for yourself and others.

Don't say anything that you wouldn't say to the other person's face. Insults hurt online too.

Don't talk behind other people's backs or make fun of them online.

Don't post other people's pics or tag them without their permission.

Hey! That photo of me is PRIVATE! Don't post things you'd be embarrassed about if everyone could see them. Secrets are never safe online.

Don't accept friend requests from people you don't know.

If a friend is in trouble online, talk to an adult.

Remember that everything you post online could stay there forever, even if you delete it.

Don't share personal information online, and never give anyone your password.

Report hateful, violent or inappropriate posts and comments.
