## Jade's Nurture Groups

Due to the success of the nurture group which ran in the spring term, Jade will be running small nurture groups for children identified for a number of reasons such as friendship issues, anxiety, bereavement, etc. It is really crucial that if your child brings a consent letter home that you either consent or decline so that the group can go ahead as planned.

We use Picture News weekly in class assemblies. Children learn about current events and issues in the news from across the world. They have a chance to talk, share opinions and see which British Values are covered. It is great for our children to learn about the world and be rounded young people
