Dear Parents/Carers,

CLASS STRUCTURE 2022-2023

This year we have had another successful year with our mixed age classes. Staff provide excellent learning experiences both in and out of the classroom. We have been on plenty of trips and have had visitors in school to enhance the curriculum experience. Each year we look at the cohorts and make changes to ensure the children are placed in the best possible classes for their needs.

Class structure	Teacher	Support
Reception	Miss Ward	Ms <u>Croskell</u>
Year 1 & 2	Mr Spencer	Mrs Cullen Mrs Davies (am)
Year 3 & 4	Mrs McCreary	Mrs <u>Sandham</u>
Year 5	Mrs Bretherton (Monday, Tuesday & Wednesday) Mrs Hodge (Thursday & Friday)	Miss Tait (am) Miss <u>Beardall</u> (1:1 support)
Year 6	Mr Reid	Mrs Walton

The above structure will allow staff to get to know the children across the curriculum ensuring they can then provide cross curricular opportunities and experiences. This split has been a difficult one, staff have spent a lot of time debating the class sizes, what is best for each child, considering many factors such as friendship groups, behaviour for learning, abilities, etc.

Rest assured the National Curriculum has generic KS2 objectives, these are not age group specific so all children will still have access to the full curriculum across their time at Kingsfold Primary School. We also have a four-year rolling curriculum in place so your child will not be repeating a topic. More information on our curriculum can be found on our website - [Kingsfold Primary School - Curriculum](#)

Yours Sincerely,

Mrs. K. Tierney
